Design lines, colors and materials

Schindler

Your choice of design – Enjoy the possibility of creating your own car interior design.

We offer flexibility and help you to find the ideal fit for functional, sophisticated and innovative interior architecture concepts. **Bring your style to life.**

Note: All Pictures shown are for illustration purpose only.
Actual product may vary due to product enhancement.

Schindler 1000

Four design lines Infinite possibilities

Create the look and feel you like. Combine colors, materials, lighting, mirrors, handrails and fixtures to achieve the ambiance that fits your building. Choose from one of our interior design lines or design an individual car that fits your needs.

Times Square

Modern and versatile

Determine your contemporary look. Choose from warm or cool colors to create a fresh look or combine the options to enhance contrast for more depth. Select glass doors and walls for transparency. Use a bare car option to create your style and taste. Times Square adds distinctive features to any public, commercial or residential building.

Multicolor options

Play with fresh and vibrant colors. Choose from a range of warm and cold colors that look great on their own, but also stunning when combined.

Laminate and stainless steel

Create a different ambiance by selecting different materials. For a fresh look and feel, choose from colorful laminates. Stainless steel gives a more clean and modern look. Combine both materials for more individuality.

Glass walls and doors (5500)

Add panorama to your elevator. Select glass panels for side walls or rear wall, or both for complete transparency.

Note: Specifications, options and colors are subject to change. All cars and options illustrated in this brochure are representative only. The samples shown may vary from the original in color and material.

Park Avenue

Sophisticated and elegant

A touch of class. Back-painted glass walls or wood laminate for a rich, contemporary mode. Or a luxury feel with gold or silver shimmer on metallic glass collection and bronze or satinated grey on stainless steel. Matched lighting completes Park Avenue's elegance.

Back painted glass

By putting color behind glass, you create a high gloss and vibrant effect that adds a pleasant ambiance to your car. In order to make the back painted glass walls perfectly fit the overall appearance of the building, you can either choose from pre-selected colors or optionally specify any NCS (Natural Color System) color.

Wave

The optional „wave“, a rounded design element that beautifully merges ceiling and rear wall, provides the car with unique elegance.

Illuminated handrails

Highlight your car with illuminated handrails for a special effect and a lasting impression. (5500 Only)

Glass walls and doors

Select transparent glass panels for side walls (5500 Only) or rear wall, to add marvelous panorama to your elevator.

Note: Specifications, options and colors are subject to change. All cars and options illustrated in this brochure are representative only. The samples shown may vary from the original in color and material.

Handrails

Free choice of shapes and finishes

Handrails convey a feeling of security. Schindler stainless steel handrails are designed to blend with car interiors, shapes and textures, and can be mounted to the side and rear walls. Available in curved, straight, straight with curved ends, and revolving layouts.

Straight

Straight with rounded ends

Curved

Customize your handrails

Handrails convey a feeling of security. Our handrails are designed to blend with car interiors, shapes and textures.

The handrails can be mounted in different combinations of side and rear walls, either only one handrail piece on the rear or side walls, two handrail pieces on the side walls or handrails on three walls. They can be connected straight or revolving.

Choose the handrail shape you prefer:

Straight, straight with rounded ends or curved
